REAL ESTATE INDUSTRY

ClickPay® | Billing

Engage residents with custom print & electronic messaging via omni-channel distribution.

Bill & Coupon Printing

Choose frequency & format for printing bills on a number of templates and proof right on the screen.

e-Bill Presentment

Conveniently allow residents to view line-item details and then seamlessly pay charges.

Resident Notifications

Independently schedule and manage content, such as emergency notifications or maintenance work.

Custom Messaging on Bills

Create content to share community announcements or highlight the benefit of paying electronically directly on the bill.

Custom SMS Messaging

Connect billing and payments by texting residents when e-Bills are ready and then enable them to pay from any mobile device.

ClickPay® | Payments

The industry's leading payments platform is feature rich and allows clients to be 100% paperless.

Electronic Payments

Custom-branded online & mobile payment portals allow residents to securely & conveniently pay electronically via ACH, credit & debit cards.

Bank Bill Pay

Payments initiated through a resident's own bank website are swept electronically instead of the bank mailing a paper check and staff manually posting payments.

Lockbox & Check Scanning

The only lockbox & check scanning designed expressly for the complexities of Real Estate, reducing the resources expended with paper check processing.

Phone Payments

An automated telephone service allows residents to submit payments, check balances, add payment methods, and manage their profile.

Walk-in Payments

Convert cash to ACH when residents present coupons with cash at one of over 35K locations. Payments fund and post to the ledger the next day.

Expert Services Beyond Expectations.

ClickPay is the only complete platform for all resident billing and payments, founded on premier service.

“Our inbound service call volume dropped by 65% when ClickPay partnered with us & inserted a layer of resident support that we could not provide alone.”

—A. Mahon
