

ACCOUNTS RECEIVABLE AUTOMATION

Our suite of services was developed with a singular goal:
To give property managers the advantages they need to excel.

Online Payments

We create custom-branded online & mobile payment landing pages where your residents securely pay their rent, HOA fees, & other payments online.

Online Bill Pay

We give your residents the option to pay via their Bank.com portal & you receive accelerated payments electronically.

Lockbox Services

We manage P.O. Boxes where we receive & process paper-based payments on your behalf.

Billing Solutions

We offer a full range of billing solutions that bridge the gap between paper & electronic statements, managing all monthly paper bill printing & mailing.

Why ClickPay?

We combine our extensive experience in real estate technology with an in-depth understanding of your specific goals to create efficient solutions that help your business grow.
